H1N1 Vaccine Now Available

The Knox County Health Department will administer the vaccine at Freedom. The date has not been set, but it will probably be some time in November. If you want your child to receive the vaccine, you must complete and sign a consent form for each child. The forms are

available in the academy office. You may pick one up or you may call or send a note and we'll send the form home with your child on Monday. The forms need to be turned back in to us next week, so please call or send a note on Monday to get your form(s).

Looking Ahead

Nov. 11: Grandparents' Day
Students dismissed at 11
After school care provided

Nov. 12-13: Staff Development
No school for students
Child care provided

Nov. 25: Students dismissed at 11

Nov. 26-27: No school

Special points of interest:

- November tuition is due next week.
- You'll find Grandparents' Day invitations in today's Freedom folder. Please have your child make a special delivery of the invitations to his/her grandparents. If your child's grandparents aren't available, please feel free to invite a special aunt, uncle, or friend to be a surrogate grandparent for the day. This event is limited to grandparents; however, we need parents to help with the reception, and we're asking families to contribute food items. Look for the flyer in your folder and use it to respond if you can volunteer that day.
