

Freedom News You Can Use

MARCH 19, 2010

Special points of interest:

- There are several dishes in the academy office that belong to parents who sent food to various events. Please check to see if any of these are yours!
- We have a limited number of school coupon books left at the low price of \$5 for two books. The coupons are good through August.
- We will not order SCRIP during the week of spring break or the following week (April 5-9). We will order next Tuesday, March 23, and the next order will be April 13. As always, Food City, Kroger, and Walmart cards are available for immediate purchase in the office.
- Due to TCAP testing, there will be no chapel services next week.
- April tuition will be past due when we return from spring break. If tuition is not paid next week, it must be paid the day students return (April 6) in order to avoid late fees.

Next Week at Freedom

TCAP testing will be every morning next week for K5 through 7th grade. These students must be at school before 8:00 a.m. or they may miss part of the test. Please help your child be prepared for success by ensuring that he/she gets in bed early each night and eats a healthy breakfast each morning.

This is the last call for pastor information! Pastor Appreciation Day is April 30, and we're sending invitations next week to the pastors for whom we have contact info.

You can help us stock up on activities for after school care and clean out your toy boxes at the same time! We especially need your gently used games. Please send your contributions to your child's teacher by next Friday, March 26.

Spring break is March 29-April 2, and there will be no school for students on Monday, April 5 (Staff Development). Child care will be provided March 29-April 1 (closed Good Friday, April 2) and April 5. The cost for all five of these

days is \$80. If your child needs care only part of the time, the cost is \$20 per day. Next Monday, March 22, is the last day to register for child care during spring break. If you need care, please send written notice with payment on Monday.

If your child is in 6th or 7th grade, please don't get in the pick-up line until 3:05 p.m. These students stay in class until 3:05. The car line will move much faster if the younger students can get to their cars first.

Looking Ahead
