Things to Do

Friday, May 21, is a half day of school. Students will be dismissed at 11:00 a.m. If your child will need child care, please sign and return the attached reservation so we can staff accordingly. The cost will be \$9, and all students who stay must bring lunch.

Everyone will make a June tuition payment. If your contract is a 10-month payment plan, the June payment will be your last. If you would like to leave a check dated June 1 in the office next week, we will deposit on June 1 and you'll be certain to avoid late fees.

Please make sure that all after school care and other fees are paid in full. Remember that we can't forward school records until your financial obligations have been met. Report cards will only be given to those families who have honored their financial commitment.

Special points of interest:

- Don't forget about Marvelous Monday on May 17. For \$2, students may wear what they want.
- There are no progress reports this week. Report cards will be issued next week. K3, K4, and K5 will receive report cards at kindergarten graduation. 1st-7th grades will receive report cards on Thursday, May 20.
- Our summer office hours will be 9:00 a.m. until 3:00 p.m. on Tuesday, Wednesday, and Thursday.
- Please save Box Tops, Campbell's soup labels, and Tyson Project A+ labels through the summer.
- We have several dishes and items of clothing in the academy office. Please check to see if any of these belong to you.
- We will not place a SCRIP order next week. Kroger, Food City, and Walmart cards will be available in the office all through the summer.

Christian Hours of Service

Hours of service are compiled based on entries in our volunteer book. Please remember to sign the book every time you help at school!

These families have met the 20-hour commitment: D'Angelo and Don'ta Brooks and Hayden and Landon Currie.

These families have far exceeded the commitment: Logan Brown and Rachael and Rebecca Ramsey.
